**WHO:** Our P&C is a group of community minded people who share a common goal: to help our school & build an incredible community. Our P&C is guided by an executive team with our President Gez Faber, Vice-President Danni Pirc, Secretary Jen Finsen and Treasurer Sarah Wise who are all volunteers and take care of the administration and operations. The P&C also has two businesses (Tuckshop and Uniform Shop) and two paid employees. We currently have 65 members who are able to vote and pass motions at our meetings to provided momentum and support for all P&C activities.

**WHAT:** We work in close partnership with staff, students, parents & other community members to promote the interests of the school, assist in providing facilities & equipment through fundraising activities & events which enhance the educational experiences of students giving them the tools to achieve their potential.

**WHY:** Technically, schools aren't able to fundraise so they rely on P&Cs to raise funds to provide the resources and equipment they need in addition to the funding they receive from the government. Of course, we are committed to making our school the best it can be for our children and all students.
